Ricochet Poker

Poker Without Bluffing Players: 3-8. Needs cards and chips.

Basic Rules

Everyone plays with face-up hands. Each player antes one chip and is dealt one card. After that, play always passes to whoever has the worst hand. When you play, ante 0 to 4 chips. Then draw cards one at a time based on the number of chips. If you still have the lowest hand, then you are out. If at any point you no longer have the lowest hand, stop flipping. (You don't get the extra cards. No refunds.)

Whoever has the best hand gets the pot.
